Transmittal For Payment of Additional Fees

Dear Examiner Perilla:

Please be advised that Commissariat A L'energie Atomique, the assignee of the above-identified patent, is a large entity.

On December 23, 2004, a Response to the Office Action mailed September 3, 2004 was filed with a two month extension of time. However, a fee of \$225, rather than \$450 for a large entity, was inadvertently submitted.
